BRIEF ABSTRACT OF LETTER.

Reports that Mr. B. Ramaswamy Iyengar L.M.S. First Class Sub Asst Surgeon has applied for one year leave on loss of pay to enable him to accept a Commission in the Indian Medical Service and states that the leave asked for appears inadmissible under art 204 note 1 of M.S.R.

NOTES AND ORDERS.

The appointment ^{which} of Mr. Ramaswamy Iyengar holds is neither temporary nor officiating as he has been appointed on probation for 1 year. Art 204 note 1 does not therefore seem to be applicable to the case. Attention is invited to art 132 of the Mysore Service Rules.

Mr. B. Ramanam Jengar has presented an agreement accepting on certain terms, a Scholarship for the M.B. & C.M. Course (enable according to the rules for a period of 5 years. He states that he received the Scholarship only for 3 years & he seems to have evidently changed his Course for the L.M. & S. The file does not show in what circumstances he was permitted to do so. Even supposing there was a change of course Mr. B. R. Iyengar was not bound to pursue the M.B. Course after the discontinuance of the Stipend and no permission was necessary.

The continuance of the Stipend depends on favorable reports of conduct and progress received from the Principal of the College ^{and on passing the periodical Exams.} (Vide rule 6 of the Scholarship Rules.)

It is understood from the D.C.'s letter no 28822-1033 dated the 1st June 1918 that the Scholarship was stopped at the end of the 3rd year course as Ramaswami Gungar failed to pass the 2nd M.B.O.C.M. From Mr. B. ^aRamaswami Iyengar, L.M. & S., Sub Assistant Surgeon, to the Senior Surgeon, (through the Medical Officer, Victoria Hospital, Bangalore.)

"I beg to state that as I have received a reminder from the Military authorities at Meerut to join duty at that place I have to proceed thither immediately. Since the Government have not been pleased to grant the leave applied for by me I beg to tender this as my resignation.

As for the covenant referred to in the Government order I beg to state that Government stopped my ~~scholarship~~ scholarship at the end of three years and I had to finish the course at my own cost. In these circumstances I believe the covenant ceased to be enforceable when the Government stopped the scholarship.

I therefore request that a reference may again be made to Government, if necessary, on this point and that, pending their decision arrangements may be made to relieve me immediately in order to enable me to join my new appointment in the Indian Medical Service.

I enclose herein for information copies of correspondence between the Military authorities and myself in the matter.

I beg to remain, etc.,

Sir

I have the honor to bring to your notice that my pay for 27 days in February 1918 for having worked as a Sub-Assistant Surgeon in the Victoria Hospital Bangalore has not been paid to me yet. The Medical Officer Victoria Hospital, has sent me a copy of the docket from the Senior Surgeon, Government of Mysore, about my pay for the above period I have enclosed

a copy of the same for your information. The Senior surgeon in his docket says that I stayed away before I was formally relieved. I don't understand what he means by formally relieved. As the military orders were un-operative I requested the Medical Officer Victoria Hospital to relieve me in anticipation of Government accepting my resignation and he relieved me on the afternoon of the 27th February. Under the above circumstances there is no reason why my pay for the days I worked in February 1918 should be withheld. I request that you will direct the senior Surgeon to pay me my salary for the 27 days in February 1918.
